

**MEETS LINES & CO.** The accommodation and prompt news agents on the Louisville & Nashville and Memphis Railroad branches, deliver the Journal to all who wish to get it. Thus our numerous readers along these roads are enabled to get the Journal without the least delay.

**"TO ELIZON."**—We have a letter for our fair contributor. Will she call and get it?

**"WE ARE CRAMPED FOR SPACE."**—We are obliged to economize in order to accommodate advertisements that crowd in upon us. We hope soon to enlarge our borders.

The columns of the Journal are the best proof of the growing prosperity of Louisville and of the splendid destiny that is open to her if her citizens are only true to themselves and their interests. Let them keep fully up with the times and exhibit a spirit of enterprise, and Louisville will be long overtaken St. Louis, Cincinnati, etc.

**THE FIRE YESTERDAY MORNING.**—We have learned some additional particulars of the fire which occurred at the corner of Center street and Broadway yesterday morning. Plaster & Brother, occupants of the corner and adjoining stores, had an insurance of \$2,500 upon their stock of groceries—risk taken by the Hope Insurance Company. The bakery was uninsured. Mr. Michael Flynn, owner of the corner, had an insurance of \$2,500 on the building. It is supposed that the loss of Plaster & Brother is fully covered by the insurance. The estimated value of the building destroyed is \$6,000. Mr. Flynn therefore sustains a loss beyond his insurance of \$6,000. The stock and furniture of Mr. J. A. Rogers, tobacco dealer, was mainly damaged by water, but to what extent has not been ascertained. His loss will not probably exceed \$200. Some of the negro families, tenants of the rear rooms of the bakery, lost all of their effects, others were less unfortunately. Their total losses will probably reach \$500. So, we may safely recapitulate the damage done by the fire, as follows: \$4,500, loss on insurance; \$1,200, loss on the building; \$200, loss on the stock; \$500, loss on the furniture; \$200, loss on the negro families; \$200, loss on the other tenants. Total, \$6,600.

The origin of the fire has not been satisfactorily ascertained; but certain suspicious circumstances led to the arrest, yesterday morning, of Peter Walter and Henry Schaeffer, aged respectively eighteen and sixteen years. Both were in the employ of Plaster & Brother, the former as a baker and the latter as a porter in the grocery. They were arrested in the Kentucky Hotel and taken to the City Jail, where they were held in the sum of \$800 each, to answer the charge of arson.

**THE TRIP TO CHICAGO.**—All preparations for the trip to Chicago have been completed. The special train generously provided by the managers of the Jeffersonville Railroad will start from the depot at 3 o'clock this afternoon. There will be a delegation of twenty-five or thirty citizens of Louisville, including members of the City Council, Board of Trade, the city press, and others. We regret to learn that a pressure of official business will prevent our excellent Mayor from joining the party. The amplest arrangements have been made for the accommodation of the delegates, both en route and at Chicago. A splendid passenger-car will take the party home to Indiana, where a sleeping coach will be attached, enabling the travelers to sleep in transit, and wake up refreshed and ready for a savory breakfast at the Tremont House. That the journey to the Lake City will be pleasant, we can't allow ourselves to doubt. Those purposing to take the trip can get all necessary information from the following notice:
